We are practicing our fives or twos!

Name: _____

Word Problem #9

Directions: Please read the math problem below and complete each task to show how you solved the math problem.

Instrucciones: Por favor, lea el problema de matemáticas y completar cada tarea para mostrar cómo resolviste el problema de matemáticas

Mrs. Barnes made 16 cookies and wanted to give them to her two friends.
How many cookies would each friend get?

1. Make a math drawing and label it:

2. Write a multiplication equation AND solve it:

3. Write the answer in a complete sentence.

Name: _____

Word Problem #10

Directions: Please read the math problem below and complete each task to show how you solved the math problem.

Instrucciones: Por favor, lea el problema de matemáticas y completar cada tarea para mostrar cómo resolviste el problema de matemáticas

There were 7 kids running in a race. If all students finished the race, how many feet passed through the finish line?

1. Make a math drawing and label it:

2. Write a multiplication equation AND solve it:

3. Write the answer in a complete sentence.
